U. N. Troops Gain Three Miles In Limited Attack

Air War Continues To Be Heavy Despite Truce Negotiations

By DON DIXON

(U. N. S. War Correspondent) EIGHTH U. S. ARMY HEADQUARTERS, Korea, July 13.

—A division-wide "limited attack" by United Nations troops in east central Korea pushed the Communists back nearly three miles Thursday in the sharpest frontline action of the past several days.

Cease-fire negotiations were stalled in Kaesong and action in other sectors of the battlefield was confined to light patrol contact and probing action by Communist forces.

The air war continued to be heavy, however, as UN planes rained destruction on Communist-held targets and destroyed one Red plane in the air.

Attack South of Kumsung

The division attack was made in the area south of Kumsung and east of the folded enemy "iron triangle." An Eighth Army briefing officer said the daylight attacks resulted in gains of up to 5,000 yards. He said the Allied forces secured their objective of a vital hill position from which the UN forces can observe into enemy territory.

The attacks were made against company-sized Red units who resisted with small arms and automatic weapons and heavy volumes of mortar fire.

The Reds counterattacked at one position on the division front after dark and Allied troops secured their positions after being beaten back in one sector 1,000 yards.

Pilots of the Fifth Air Force spotted heavy Communist road traffic flowing over the main supply arteries of North Korea and attacked the enemy with fighters and light bombers. They reported more than 124 Red vehicles destroyed or damaged.

New Argument Will Be Heard On Reds Bail

(BULLETIN)

NEW YORK, July 13—(INS)—Federal Judge Sylvester Ryan today ordered the release of 15 "second string" Communist leaders under bail furnished by the Civil Rights Congress. His action was in line with a ruling yesterday by Judge Learned Hand of the U. S. Circuit Court of Appeals.

NEW YORK, July 13—(INS)—Further argument will be heard in Federal court today on the bail bond issue involving 15 "second string" Communist leaders who were remanded to jail when their bail was just

Judge Learned Hand of the U. S. Court of Appeals yesterday ordered the bail, supplied by the Civil Rights Congress, reinstated. The 15 remained behind bars, however, when U. S. District Court Judge Alexander Holtzoff said a decision must be made on whether their bail bonds were revoked along with their bail funds.

Margaret Truman Returns To U. S. After Tour Of Europe

NEW YORK, July 13—(INS)—Margaret Truman returned to the U. S. today from a six weeks' tour of Europe with the verdict that European men are charming—but "there are nothing like American men—in the plural."

Excellent progress is being made on the new bridge over the Little Neshannock near Wilmington Junction; it is learned. The abutments for the bridge are in place and are now curing. Placing of the steel will take place shortly. It is expected to place the structure in service before Labor Day.

F.C.C. Plans For 70 New Channels

WASHINGTON, July 13—The Federal Communications Commission made it definite that it will create 70 new television broadcasting channels in the ultra high frequencies.

These added to the present 12 channels in the very high frequencies will give the nation 82 such channels for TV operations.

In announcing last March that it would open up the ultra-high frequencies for video, FCC said that either 65 or 70 new channels would be created in that section of the radio spectrum. The exact figure was indefinite at the time because the Bell Telephone System and others were petitioning for space in that part of the spectrum for radio telephone service.

New Demands Are Presented By Gen. Ridgway

ing as continued at 9 a.m., Pyong-yang time, today.

After Time Set

The PIO announcement revealed that Nam II's note had been delivered to an Allied liaison officer outside Kaesong and 10:55 a.m. Friday (8:35 p.m. Thursday, EDT). This was one hour and 55 minutes after the time set by Nam II for the proposed reopening of the conference.

The PIO release said Nam II's message was timed at 6 a.m. Friday. It added that a Chinese officer informed the UN liaison officer that "due to the difficulty of communication" and because an Allied helicopter did not come at 6:30, as expected, "the time of meeting suggested by our senior delegate has passed."

"I am instructed to inform you that the suggested time for the meeting now is 1 o'clock," the Chinese officer said.

Conference Suspended

The armistice conference remained suspended Friday for the second straight day as the impasse between the Allies and the Reds deepened.

As given out over the Communist radios, the Red reply to Joy, signed by Nam II, stated:

"Unless both sides agree, correspondents cannot enter the Kaesong peace conference."

The reason you gave in your protest is unacceptable. The matter must be discussed further hereafter.

"I propose that the conference be resumed at 9 a.m. Friday, Pyong-yang time."

Gen Ridgway in his Friday message, demanding a disarmed negotiating site and "equality of treatment" for his UN delegation, made it clear that the Reds must drop their self-assumed role of host if they want the talks to be renewed.

partments were unable to cope with the situation and called for aid from Kansas City.

Damage in Millions

Damage is expected to run into the millions.

Hundreds of cities and small towns in eastern Kansas remained immobilized as a result of the worst flood disasters in the state's history. At least 12 persons have lost their lives and river are continuing their steady rise.

Authorities in Topeka, where overflowing waters of the Kansas (Kaw) river wreaked the greatest havoc, estimated nearly 30,000 of the community's 100,000 population have been evacuated from homes in the stricken area.

Passengers Marooned

The 345 passengers aboard the Santa Fe railroad's crack streamliner El Capitan, which has been stranded by high water at Cedar Point, Kan., since Wednesday morning, spent another night aboard the train.

R. H. Willis, assistant chief dispatcher for the railroad at Newton, reported a convoy of buses reached the train last night. However, officials decided to wait until morning before attempting to take the loaded vehicles back over the soggy roads to Newton.

Authorities at Topeka originally had predicted the Kansas river would crest its crest this morning, but later revised their estimate and now anticipate a crest of 37 feet at 6 p.m. tonight. The river stood at 35.9 feet at 1 a.m.

Approximately 5,000 of the evacuated residents found beds and food in emergency shelters maintained by the American Red Cross and other relief agencies. The others sought refuge in the homes of friends and relatives.

Deaths Of The Day

(Continued From Page One)

Clyde Stewart

Clyde O. Stewart, aged 60 years, of R.D. 9, expired in the New Castle hospital, Thursday evening at 7:10 p.m.

Mr. Stewart was injured in an automobile accident, at 1:30 a.m. on Friday, when he was struck by a car driven by Nicola Borkesz, of 1204 South Jefferson street, on Route 168, one mile south of the city. He sustained a compound fracture of both bones of the left leg, below the knee, and a concussion, and was in considerable state of shock when admitted to the hospital.

Apparently Mr. Stewart was recovering nicely from these injuries when complications developed, which resulted in his death last evening. Coroner Charles E. Allen ordered an autopsy to determine whether the accident was responsible for the death.

According to the report made to state police by Mr. Borkesz, Mr. Stewart was walking in the center of the highway, when struck, and he was unable to see him until it was too late to avoid a collision.

Clyde Oliver Stewart was born in Hilliard, Butler county, September 16, 1890. He was a member of the Valley Way church and was employed by the P. and L. E. railroad. He was single.

Surviving are his mother, Mrs. Mary E. Livermore, three sisters, Mrs. Dora Tanner, Mrs. Myrtle Tanner, Mrs. Judy Lichtenstein, two brothers, Lester Livermore and Virgil Livermore of this city.

Services are planned for Sunday at 2 p.m. from the John R. Bigler funeral home, 1018 South Mill street. Interment will follow in Savannah cemetery.

Friends will be received at the funeral home this evening from 7 to 9 o'clock and Saturday, from 2 to 4 and 7 to 9 p.m.

Mrs. Harry F. Hagan

Mrs. Mary McDevitt Hagan, aged 58, wife of Harry F. Hagan, 508 Norwood avenue, died in the Jameson Memorial hospital at 4:15 a.m. today, following a six weeks' illness.

A daughter of the late Joseph and Sarah Agnes Feinley McDevitt was born March 8, 1893.

Mrs. Hagan was a member of St. Mary's church, Catholic Daughters of America, the L. C. D. A. and the V. F. W. auxiliary.

Surviving in addition to her husband, are one daughter, Mrs. Marian E. Lenherr, Silver Spring, Md.; one son, Richard Hagan of this city; one grandson; two sisters, Mrs. Edna Waddington, Mrs. Joseph Varley; two brothers, Jack McDevitt and Francis McDevitt, all of this city.

The body has been removed to the Zehner funeral home, North Beaver street, where friends may call this evening, from 7 to 9 o'clock, Saturday and Sunday, and 4 to 7 and 9 p.m.

Funeral time will be announced Saturday.

Louis P. Dietrich

Louis P. Dietrich, aged 72, of R.D. 1, died at the family residence Thursday, July 12, after an extended illness.

Born in West Wheeling, Ohio, March 21, 1879, he was a son of Phillip and Barbara Schwenkel Dietrich. He was a farmer by occupation and unmarried.

Surviving are one brother, Henry Dietrich of New Philadelphia, Ohio; three sisters, Mrs. Rose Johnson, Canton, Ohio; Mrs. Goldie Rankin and Miss Louise Dietrich, both of R. D. 1.

The body will be taken from the Joseph B. Leyde mortuary to the Wilson funeral home, Bridgeport, Ohio, where services will be conducted Saturday at 2 p.m. Burial will take place in High Ridge cemetery, Bridgeport, Ohio. Friends will be received at the Wilson funeral home, Bridgeport.

Mrs. Maitland Funeral

Funeral services for the late Mrs. Sarah E. Maitland of R.D. 3, were held Thursday at 2 p.m. from the Joseph B. Leyde Mortuary, with Rev. Thomas J. Jones, officiating. Interment was in Graceland cemetery.

DeArment Funeral

Funeral services for Walter C. DeArment were conducted Thursday at 2 p.m. from the R. L. Boyd funeral home with Dr. Robert M. Patterson, of Central Presbyterian church, officiating.

Harmony Woman

85th Anniversary

HARMONY, July 13.—Mrs. Anna Mickley of Harmony, who makes her home with her daughter and son-in-law, Mr. and Mrs. John L. Wise celebrated her 85th birthday Sunday, July 9. A dinner was held in honor of her birthday by her daughter, with members of her family present. She has four daughters and one son, four grandchildren and one great-grandchild, all of whom were present except Miss Adda Mickley of the Beaver Valley hospital. Also present at the dinner were Rev. and Mrs. Robert F. Harting, and small son Scott, pastor of St. Peter's Evangelical and Reformed church of Zelienople, of which Mrs. Mickley has been a lifelong member. She attended church Sunday morning, and flowers in her honor were placed in the church by the family.

Motorists could be a big help to traffic in various sections of the city. Parking at bus stops in numerous areas seems to be a persistent practice of some. The buses are forced to load and unload far away from the curb making it dangerous for passengers alighting from the buses.

Weeds on some vacant lots about the city are getting ahead of the owners of the lots. Steps should be taken to level the weeds before ragweed season approaches in a week or two. The work would be appreciated by those afflicted with the troublesome summer disease.

Local motorists are hoping that the Route 422 By-pass detour at Croton avenue and Grove street intersections will be short lived. Traffic during peak periods is considerable and cars move through the downtown streets at a snail's pace. The reopening of the route should aid in the reduction of traffic on East Washington street.

Unconfirmed reports said the plane had been dropping Communist propaganda leaflets relating to the breakup of the Kaesong peace talks.

Numerous residents who have the memory and pleasure of their 1951 vacation behind them are returning to the city well tanned and in otherwise, general good health. Out of town resorts are attracting many, while others are attending church and secular conferences in adjacent cities.

Time was when you couldn't see your hand in front of your face at high noon on a typical winter's day. But housewives will tell you the air is cleaner. And official records prove it.

The annual report of the Pittsburgh Smoke Prevention Bureau shows there was 25.2 percent less smoke in the steel city last year than in 1949.

Over the long run, the report shows even more remarkable results.

There has been a total decline of 51.6 percent of smoke in the city's much-maligned air since 1945, while "heavy smoke" has dropped a total of 71.7 percent.

There was also a great reduction in dustfall.

The average dustfall in 1938, the first year records were kept, totaled 60 tons per square mile. This compares with a dustfall of 51.4 tons last year.

The 1950 dustfall was nearly a ton less per square mile than in 1949.

Funeral time will be announced Saturday.

One B-26 accounted for 33 vehicles destroyed and 35 damaged in three separate strikes in north-west Korea.

One F-4-U of the land-based First Marine air wing intercepted and destroyed an enemy PO-2 type bi-plane near Munsan shortly after midnight Thursday. The enemy plane had dropped three bombs on UN front-line positions with no official report of damage.

Unconfirmed reports said the plane had been dropping Communist propaganda leaflets relating to the breakup of the Kaesong peace talks.

Local motorists are hoping that the Route 422 By-pass detour at Croton avenue and Grove street intersections will be short lived.

Traffic during peak periods is considerable and cars move through the downtown streets at a snail's pace. The reopening of the route should aid in the reduction of traffic on East Washington street.

Unconfirmed reports said the plane had been dropping Communist propaganda leaflets relating to the breakup of the Kaesong peace talks.

The Marine fighter pilot made the interception at 3,000 feet and riddled the Red plane with 20-millimeter bullets. The enemy aircraft exploded and began to burn in the air.

Motorists could be a big help to traffic in various sections of the city. Parking at bus stops in numerous areas seems to be a persistent practice of some. The buses are forced to load and unload far away from the curb making it dangerous for passengers alighting

SOCIETY & CLUBS

QUEEN ESTHER CLASS HAS PICNIC EVENT

Queen Esther class of the Third U. P. church enjoyed a picnic dinner served on the lawn at the home of Mrs. William Mooney, Waino.

President Mrs. J. J. Kenehan conducted a short business meeting. Special guests were Mrs. Paul Graham and Mrs. W. N. Christopher, who was welcomed to the class as a new member.

New Problem Is Peace Threat

Reports on the truce talks in Korea and a new possibility of settlement in Iran coincided today with the re-opening of an entirely different problem that could endanger the peace of Europe.

It is the free territory of Trieste, desired by both Yugoslavia and Italy, but which was promised to the latter nation before Marshal Tito broke with Joseph Stalin and the cominform.

This division of the population between town and country on an ethnic basis has had one advantage.

It has kept clashes to a minimum. There have been some riots, to be sure, but the geographical separation and the presence of a sizeable military force have made them comparatively few and far between.

The improved situation in Iran, meanwhile, has arisen from Premier Mohammed Mossadegh's willingness to confer with W. Averell Harriman, President Truman's ace trouble-shooter whom the Chief Executive offered to send to Tehran.

No Retraction

Mossadegh has said that there can be no retraction on the principle of oil nationalization. The British government has made it clear that it does not expect this but simply wants conversion of the Anglo-Iranian oil fields to be handled on a basis that takes into full consideration the interests of Great Britain.

It seems clear that Henry F. Grady, the able United States ambassador to Iran, has not abandoned all hope. The British have made no attempt to land troops and thus have given no excuse for the Iranians to resort to violence.

True, the flow of Iranian oil has been cut to a trickle by the closing down of refineries. But while possibility of a settlement remains, and while the truce talks go forward at Kaisong in Korea, diplomatic sources feel it would be unfortunate indeed if Trieste should open up a menacing new situation at the present time.

Political observers in Rome are fearful that there may be extreme domestic complications if the allies continue to delay in fulfilling the promises. There is always the possibility of a Communist revival which would undo De Gasperi's work and the achievements of the Catholic church in keeping Communism under control.

The Trieste situation is complicated by a mixed population. The city-dwellers are for the main part Italian and the country folk Yugoslav.

The Parent Problem

By Garry C. Myers, Ph. D.

There's some question whether or not the State Department can get along on a million dollars a week less than it has been getting . . . Some don't think Mr. Acheson should be asked to tighten his belt.

The full budget of 283 million requested by the department would allow it to continue the many operations which have brought us to the position we now are in . . . That is, if there is anyone who would like to stay in the position we now are in.

But the author thinks the department should get more rather than less . . . He says with another 20 or 30 million dollars the Voice of America which tells the rest of the world what's going on here might be able to tell us.

He has a brother abroad who writes "it would be worth your while to come over here and hear how smoothly things are going over there."

My set won't pick up the Voice of America . . . In our house we don't even know what's going on in Kaesong.

Well we really shouldn't say we "don't know what's going on . . . We got one splendid report from an officer, who wasn't there, delivered to correspondents who weren't there either.

In the following letter we see how a mother let herself not only feel anxiety concerning her son, but also expressed such anxieties to great extremes, even exaggerating, and on discovering the harm she has done to him, unawares, earnestly desires to ascertain how she can repair the damages already done.

"Dear Dr. Myers: I think I've put real fear into my 9-year-old boy. I'm a big worrier myself, so every time he's had a fever or cut he has 3 scars on his face! I've been overly worried. Now when he sprained his thumb I just happened to say 'I hope you didn't break it.' And he looked panic-stricken and went to bed and cried and thought he was going to die. He'll come in with a scratch on his finger and wonder if his arm has to be cut off."

"A mulligan in golf is this: A drive allowed for one you miss; a bit of cheating for the score. By taking five and claiming four."

"If you should wear a cardinal's hat You'd get no mulligan for that. Until the final put is made Play it if the way it should be played."

"A mulligan?" To one and all I say, "Get up and hit the ball. No Bishop of a Holy See Can get a mulligan from me."

Housewife's Dilemma Is Discussed By Babson

By ROGER W. BABSON

(Copyright, 1951, Publishers Financial

Group, Inc.)

BABSON PARK, Mass., July 13.

The housewife complains that

food prices are too high. Her bud-

get is showing—in the red. No won-

der! Only dur-

ing the last 12

months, con-

sumer prices for

moderate in-

come families

have risen ap-

proximately 8.3

per cent. Food

prices have

climbed 11 per

cent, clothing 10

cent and rents

3 per cent.

Living Standard Endangered

Higher and higher prices are

endangering the living standards of

millions of moderate income

middle-class families. The record

shows that their food prices have

increased 105 per cent in the last

decade—appral 95 per cent, rents

30 per cent, house furnishings 100

per cent and such miscellaneous

items as recreation, toilet articles,

dry cleaning and doctors' bills 60

per cent. The earnings of this

group just haven't kept pace with

prices.

This unfortunate situation espe-

cially hurts that large segment of

professional and white-collar work-

ers. These feel the squeeze most:

doctors, lawyers, teachers, clergy,

civic leaders, accountants, office

workers and others with fixed in-

comes and pensions. In a very

real sense many of these workers

of our communities are the people

who create ideas, those most inter-

ested in moral and spiritual values.

What We Need To Do

In short, we have been kidding

ourselves into thinking that we

can gain more in an inflated seller's

market than we can lose in an

inflated buyer's market. The history

of Germany, Italy, France,

Great Britain and Russia clearly

indicates that unbridled inflation

undermines private enterprise,

causes industries to shut down and

throws people out of work.

I may be old-fashioned, but

years of experience tell me that

Dames Of Malta Special Event

Lady Christine Krahf
And Officers Guests

Sovereign Proctor of Zeno-dac of the United States and Canada, Lady Christine Krahf, and her officers were entertained Wednesday evening by the Dames of Malta Star of Liberty Sisterhood No. 174 in the L.O.O.F. hall.

Very impressive ceremonies were conducted in the beautifully decorated hall. The hall carried the purple and yellow color scheme of the sisterhood. The chairs were draped in white and purple asters and yellow gladioli decorated the hall.

Lady Christine Krahf was presented by the Court of Honor, sixteen ladies, with Lady Edna Osborne as captain. Queen Margaret Van Fossen welcomed Lady Krahf to New Castle and presented her to the assembly.

Gift Presented

Lady Betty Gray presented a lovely gift to the Sovereign Proctor with appropriate remarks.

Lady Krahf, who is from Cleveland, is a Cleveland Indian baseball team fan and the Indian motif was carried out. The gift, a sum of money, was concealed in a miniature Indian.

Her officers: Lady Ann Siekers from Cleveland, finance committee; Lady Gertrude Blackmore from Sharon, sovereign counselor and Sovereign Proctor-elect; Lady Jane Ritter of Farrell, deputy; Lady Sally Locke from Sharon, deputy. They were presented gifts and welcomed by Lady Gray through the Court of Honor.

After each presentation, Lady Jane Sanders sang with Lady Mary Etta Daugherty accompanying her.

Lady Mildred Henderson was general chairlady of the program with Lady Mary Etta Daugherty chairlady of the entertainment. "Mellerdrama"

An old fashioned "mellerdrama" complete with villain, hero and poor innocent young miss, was presented in pantomime. Lady Mildred Henderson was the narrator with the parts portrayed by Lady Betty Gray, Lady Doris Evans, Lady Jane Sanders, Lady Edna Osborne, Lady Viola Nelson and Lady Margaret Johns.

Mirth provoking "Maggie and Jiggs at the Golden Gates" was a reading given by Lady Mary Etta Daugherty.

South of the border rhythms were presented by Lady Doris Evans, Lady Jane Sanders and Lady Fern Bigler as they per-

formed the gay and colorful Mexican Hat Dance.

Preceding the programs and ceremonies in the L.O.O.F. hall, a dinner had been given in the guests honor at a local hotel. The Indian motif was again carried out for the Cleveland guest.

Committees responsible for the successful day were: presentation of gifts, Lady Betty Gray and the Court of Honor; decorations, Lady Betty Hawkins and Lady Helen Bigler; dinner arrangements, Lady Maude Forrester; The unique Indian favors, Lady Jane Sanders; door prize the Ladies Margaret Johns, chairlady, Eva Drumheller, Mildred Conti and Mae Isaacs. Special committee, Lady Emma Cain; refreshments, the Ladies Nancy Jones, chairlady, Maude Forrester and Edna Osborne.

Spends 30 Hours On Tiny Life Ring In Ocean Before Rescue

HONOLULU, July 13—(INS)—Ted Siers, 40-year-old Catalina photographer, was catching up on his sleep today after spending 30 hours on a tiny life ring before his rescue in the mid-Pacific.

Siers, who fell overboard from the Yacht L'Apache during the trans-Pacific yacht races Wednesday morning was picked up yesterday afternoon by the Destroyer Escort Douglas A. Munro.

The Munro was nearing the end of its last pass of the search area, 300 miles east of Honolulu, when Siers was spotted. He was hauled aboard exhausted and thirsty, but in good condition.

The miraculous rescue was made among eight foot waves and a 13-knot wind that made the spotting of a bobbing man almost an impossibility.

Lt. Comdr. John A. Lindebeck, Salem Ore., skipper of the Munro, interviewed by radio, said his ship was going on to another mission for the Navy within minutes when two seamen saw Siers.

The Navy had already announced abandonment of its intensive air and sea search.

Linderbeck said:

"We were making our last run and were heading for completion of the mission. Approximately 15 to 20 men were on lookout for the Navy within minutes when two seamen saw Siers."

The July W. C. T. U. meeting will be held at the home of Mrs. Mae Locke with Mrs. Alice Kissick as leader.

Mrs. Charles McFarland is seriously ill at the Jameson Memorial hospital.

Mrs. S. E. Downing is visiting at the home of her daughters Mrs. Albert Mansfield and Mrs. L. J. Reynolds.

Mr. and Mrs. Lloyd Kilday and son Lloyd Lewis and Mrs. Florence McKnight spent Monday at North East, Penna.

Mrs. Francis Pringle, son Gail, and her grandson of Franklin were recent guests at the McAlmont home. Mrs. Mayme Philpot of New Castle and son Harold from Hub-

HARLANSBURG

Rev. Harold Byers supplies the pulpit at the Presbyterian church in the absence of Dr. John Orr.

Members of the Ellen Bell Missionary society met at the church with Mrs. Gladys McConnell leading the meeting, Monday evening.

The next meeting is August 2, at the home of Mrs. Jean McCracken with the topic for the day being "Children". Leaders will be Mrs. Vinnie Brown and Mrs. Martha McKibben.

The Sunday evening demonstration of the Daily Vacation Bible school was largely attended. The larger enrollment this year was topped by a better attendance. The mission offering doubled that of last year, and was sent to the American Mission for Lepers. All this was made possible by the time and services donated by the teachers of the Vacation Bible school.

A large number turned out for the Missionary meeting at the home of Mrs. Mary Hunt. Two interesting reports on missions were given from the message of Rev. Raymond Jennings and Rev. Conrad. The meeting opened with the Devotional service led by Mrs. Daily Hunt. Later tasty luncheon was served by Mrs. Sarah May McFarland, Mrs. Lulu Lettington and others. The next meeting will be in August at the church and a family night meeting and social program is being arranged.

The "Family Camp" quota for the first week-end in August is filled. The Junior camp from August 6 to 15 has a few openings. The camp registrations are coming in rapidly.

The Faith group of the Baptist church will hear Rev. George Harper, of Clarksburg, West Va., at their meeting Sunday evening at the Calvary Gospel Tabernacle in New Castle.

Members of the 4-H group met at the Liberty Grange on Tuesday morning and afternoon. The "Happy Cooks" prepared their lunch at the meeting.

The July W. C. T. U. meeting will be held at the home of Mrs. Mae Locke with Mrs. Alice Kissick as leader.

Upset Prices
Bring No SaleCommissioners
To Divest Liens

Five pieces of property in the county were offered for sale Thursday, July 12, by the county commissioners at "upset prices".

No sale.

An upset price means that all taxes, interest penalties and liens are compiled into the price.

Now that the properties have been offered and were not sold, the commissioners will move to divest each property of all liens of whatever nature. Then they will be offered at public sale to the highest bidder.

The properties are located in the fourth, seventh and eighth wards and in Shenango and Wayne townships.

STEEL MILLS NEED MORE
SCRAP METAL

The nation's steel mills need more scrap metal if they are to keep rolling at full capacity.

About 67 million tons of scrap from all sources will be required to keep steel furnaces going in 1951. The all-time high of 61 million tons was reached last year. Therefore, about six million more tons will be needed this year than was used in 1950.

Farmers are urged to sell their scrap iron and steel to their local salvaging dealers. Worn-out tractors, plows, rakes and harrows—even small pieces such as plow points, bolts and washers—are all needed.

National ceiling prices have been established on scrap metal, but these are prices to the dealer after he has sorted, processed, prepared and shipped the scrap to the mill. Local prices will necessarily be less.

SOUNDS WARNING ON WATER
HAZARDS

Drownings account for five percent of all accidental deaths, and nearly 50 per cent of drowning victims are rural people. The majority of all infant drownings occur on farms.

Studies made in several states indicate that nearly 90 per cent of farm residents who drowned were non-swimmers and that the majority of all infant drownings occur in such places as stock watering tanks, cisterns and tubs. The studies indicate further that the principal cause of drownings is lack of knowledge, insufficient skill, poor judgment and just plain carelessness.

Swimming is fine exercise, but only for those in physical condition to do it without harm. If you are not feeling well, stay out of the water.

For The Man or Woman

"What You Should Try Is The
New Iodine-Iron-Vitamin
Tonic," says Love & McGown

If you are rundown—low spirit-ed—"nerves"—poor appetite, don't be discouraged. Chances are you are just not getting your full daily requirements of the necessary vitamins and minerals from the food you eat.

What you should do is try FERRIZAN—the new dietary supplement and reconstructive tonic. FERRIZAN not only gives you your full quota of many of the essential vitamins but also supplies the equally important Iron for the blood and Iodine for the ductless glands plus needed Calcium and Phosphorus.

Often in ten days you may feel

the difference; your friends notice it. Back comes your appetite—you should actually feel the urge to eat. Nerves can grow steadier; work easier; you may sleep more soundly.

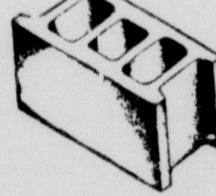

So why delay? Why not decide now to take FERRIZAN for 30 days and see for yourself just how wonderful FERRIZAN can make you feel. Costs you only a few cents a day. Money refunded if not completely satisfied, says Love & McGown.

water. Wait for a time following meals before entering the water and do not swim if overheated. Avoid exerting beyond your strength and never dive into strange water where the depth and condition of the bottom are unknown.

Make a thorough investigation regarding the safety of swimming facilities. A boat nearby or a raft anchored in the pond may be useful in emergencies. Do not swim alone—never go into the water when tired, over-heated or immediately after eating. Do not overload a boat; never permit horseplay. Old tubs, boilers or other containers should not be left around the farmstead. It takes as little as two inches of water to drown an infant. Protect stock watering tanks. If possible, fence them off or cover them. Cisterns and wells should be inspected periodically to make sure coverings are secure.

Ban On Price Rollbacks Is Plan In House

WASHINGTON, July 13.—(INS)—The house, under farm bloc domination, is expected today to ban all future food rollbacks and end the existing ten per cent price reduction on beef.

Administration forces have been battered by successive defeats on key issues and there is little question that the farm group and the GOP's southern Democratic coalition can retain its control.

The senate has voted to bar two 4½ per cent beef price rollbacks scheduled for August and October. This provision, plus a ban against food price rollbacks, was contained in the house banking committee bill.

But the farm bloc, headed by chairman Cooley (D) N. C., of the house agriculture committee, plans to go further and eliminate the 10 per cent cut which became effective May 19.

The May 19 rollback reduced the price of livestock and was designed to aid the meat processor. The two additional rollbacks were intended to bring the price cut down to the consumer level.

Missionary At Church In Enon

Rev. W. F. Byers, pastor of the Enon Valley Presbyterian church, announces that a highly interesting missionary service will be conducted in the Enon church Sunday at 11 a.m. when a missionary from Lebanon in Syria, will speak.

The speaker, Mrs. J. L. Dodds, wife of Rev. Leroy Dodds, secretary of the Presbyterian Board of Foreign Missions, spent 20 years in India, and two years ago, was called to Lebanon in Syria, where she taught young Moslem girls for one year. She has chosen an unusual subject for her morning address, which will be: "The Near East Draws Nearer."

The service is one of a number of interesting programs arranged by the church pastor for the coming months. Later in the summer, it is planned to have Rev. and Mrs. Frederick A. Smith and family, missionaries to Colombia, S. A.

The sixth annual reunion of the former women employees of the National Tube company of Ellwood City, will be held in the main shelter in Ewing Park Wednesday, July 18, at 6 p.m.

Following the tureen menu Mrs. Michael Lasky, president, will direct a business session at which time new officers will be elected. An invitation is extended to all former women employees and their families to attend this reunion.

Entertainment will be provided by Mrs. Maxine Parsons and her committee. Mrs. Dorothy Custoza heads the table committee which will furnish coffee and cream.

Jap Beetles Are Appearing Here In Large Numbers

Japanese beetles are making their appearance in large numbers in various sections of the county, County Agent L. C. Dayton, stated today.

One of the best methods of combating the adult beetles is the use of a spray containing D.D.T. to each gallon of water is recommended. However, this material should not be used on fruit or vegetables which are to be eaten within the next two-month period.

Big Appeal In Motor Trips For Local Vacationers

Going somewhere this summer? One from New Castle to Chicago, Down to St. Louis or Indianapolis and east to the Shenandoah Valley in Virginia. The historic areas of Virginia, including the Shenandoah and Appomattox Court House are nearly always requested. The drive then goes north through the New England states and into Quebec, Canada. The last part of the trip may take the traveler into New York City or Buffalo on their way home. It is entirely up to the traveler.

That seems to be the trip most New Castlites are taking this summer. Several trans-continental trips have been routed for New Castlites by the Moto Club. The highest number at one time was four routings in one day. There has only been one trip to Mexico planned.

This service of the Motor Club is rather unique and affords a good picture of where New Castlites are driving for their vacations. Here is an outline of how it works.

Wants To Drive

John Q. Citizen wants to go on vacation and wants to drive the family automobile. He has an idea of the direction he wants to go but is rather hesitant because of the unfamiliar road and uncertain accommodations for himself and his family. He asks the Motor Club for help.

After finding out where John Q. Citizen wants to go the Motor Club then wants to know if he is in a hurry or if he wants to enjoy the scenery too.

The next step is to check the detours in the sector wanted. Detours are checked from the state detour map and the national bulletin. New Castle is in sector number 17.

Since accommodations are always a worrisome problem, the Motor Club will list the hotels, motor courts and restaurants that are registered with the American Automobile Association. These places guarantee clean comfortable facilities at moderate prices.

Mr. Hanlon of the Motor Club says the most popular drive is the

Plot Is Charged In Suit Filed In Pittsburgh Court

PITTSBURGH, July 13.—(INS) — Judge Clarence B. Nixon and State Insurance Commissioner Artemus C. Leslie conferred in Pittsburgh today about charges that a Chicago group is trying to loot stockholders of the Standard Life Insurance Company.

The suit, filed in Common Pleas Court on behalf of several of the firm's minority stockholders, charges the Pittsburgh company and its officers with engaging in a series of intricate corporate maneuvers... designed to carry out their purpose of pirating a million dollars from the minority stockholders."

Officers listed as defendants are Alfred MacArthur, chairman of the board; W. F. Donaldson, president and medical director; H. A. Pierce, executive vice president; J. A. Laflin, vice president and director; William V. A. Hansen, secretary and treasurer, and others.

The protestants charge that the defendant plan to transfer assets of the Pittsburgh firm to Chicago at a meeting next Monday. If this is done the stockholders will lose their right of redress.

Judge Nixon promised an immediate decision on whether to grant a temporary injunction pending a full hearing.

William Stoner To Address Youth Rally

New Castle's Youth directed Youth for Christ rally Saturday evening at 7:45 o'clock in the First Baptist church. East at North street, will be a program of unusual interest, when a number of outstanding talented local youth will appear on the evening program.

William Stoner, student at Johnson City Bible school, Johnson City, N. Y., will be the featured speaker during the well planned program which will be under the leadership of George Capps.

The Gospelites trio of the First Pentecostal church will be the featured vocalists during the hour, while Mrs. Ann Gettings will preside at the piano. During the summer months, the local youth rallies are being directed and presented by students home from Bible college.

Break Ground For New Gymnasium At Grove City

GROVE CITY, July 13.—An im-

portant forward step in the de-

velopment program at Grove City

College was taken today when

ground was broken for the new

gymnasium-alumni hall building.

This represents the third building

of the five-building program which

was authorized by the board of

trustees in 1947, when the Pew Me-

morial Foundation of Philadelphia

made a generous conditional gift of

\$1,500,000 toward the \$3,000,000

building program.

President Weir C. Ketler pre-

sided at the brief but important

torneys, presented the spade in

turn to James E. Marshall, '98, a

leading attorney of Butler, Pa., and

long a leader of alumni affairs of

the college, and Robert E. Thorn,

'16, director of athletics and dean

of men at the college.

The Rev. Dwight R. Guthrie, Ph.

D., '25, spoke the invocation and

the Rev. Peter H. Monksma, Ph. D.,

college pastor, pronounced the benediction.

Construction will begin immedi-

ately and it is anticipated that the

building will be ready for use in

Installation Held

DR. LOUIS WORLEY

Dr. Louis A. Worley, formerly of McKeesport, was installed as pastor of the Mahoningtown Presbyterian church Thursday evening during impressive ceremonies under the auspices of Shenango Presbytery which body arranged the excellent and sacred service.

The well planned program took place in the auditorium of the Cedar street church with a host of members of the church and friends of the congregation as well as relatives of Dr. Worley on hand for the program.

At 8 o'clock the group of ministers from the Presbytery assembled on the rostrum of the church to conduct the program. Rev. Rowland White, pastor of Neshanock Presbyterian church, New Wilmington, and moderator of Shenango Presbytery, served as chairman for the service, introducing the speakers of the hour.

Following a devotional period consisting of song and prayer, Dr. J. W. Creighton, for 17 months moderator of the church, delivered the sermon of the evening. His remarks were well chosen and received by the congregation with interest.

who was asked to present the charge to the pastor, likewise in effective manner enumerated the duties of a pastor and his responsibilities toward his church and congregation.

Rev. Homer Becker, Westfield Presbyterian church pastor, effectively brought the charge to the congregation, giving the duties of the many church members in relation to their pastor. He solicited their support in every way for Dr. Worley in order that the church would be built up in the most holy faith.

Following the benediction, the large assemblage retired to the church parlors where refreshments were served by the members of K. J. U. class. A welcoming line formed in which Dr. Worley and the church session greeted the guests present. The church auditorium and dining room were carefully decorated with summer flowers.

Dr. Worley, who is in McKeesport today conducting a funeral, will preach to the congregation on Sunday at 11 a. m. on "Christian Freedom". The service will be a united one with the Methodist group.

P.T.A. Delegates
Attend Sessions

Four representatives of the Mahoning Parent-Teachers group have returned to the ward after attending the sessions of the leadership training school conducted at Slippery Rock State Teachers college. The group returned to their homes on Wednesday.

Delegates included: Mrs. Joseph Zumpella, Mrs. Hubert White, Mrs. Loyal Parady and Mrs. Thomas Holliday. Various phases of the PTA work were covered in the interesting conference including organizational plans, demonstrations and numerous other related subjects which will enable the leaders to plan their work more effectively in the days ahead.

The school comes to a conclusion today with the president of the PTA Congress, Mrs. James Meehan of Brush Valley, to be heard as the speaker. PTA leaders throughout the state were present for the enjoyable period.

Sodality Group
Plans For Outing

During the regular meeting of the Holy Rosary and Sacred Heart sodality conducted Thursday evening in St. Lucy's auditorium, plans were consummated for the group's annual picnic and outing to be held in Cascade park on July 26.

Mrs. Mary Zumpella was in charge of the session and had the opening prayer. Announcement was made that Sunday, July 15, the members will take communion in a body at St. Lucy's church, gathering for 7:30 mass. All members should be present.

Rosary was recited by Teresa Russo. Following the closing prayer, the meeting disbanded.

Madison Church Has
Outing At Cascade

Cooperation from the weather man and various Sunday school classes of the Madison Avenue Christian church helped to make the annual church and Bible school outing a marked success Thursday evening at Cascade park.

The large group, numbering over 100, sat down to a sumptuous picnic meal provided by the families with Rev. Howard L. Krause, pastor of the church, asking grace over the meal.

Immediately following the dinner, a well balanced program of sports took place in which all, from the youngest able to walk to the oldest participated. Prizes were awarded to the following: Jean Culbertson, Ray Soroka, Joe Stevenson, Kenny and Edna Mae Turk, Mrs. J. D. Wagner, Mrs. Earl Turk, Arthur Hunt and Mrs. Susie Gillespie.

Following the sports event, the group went to the mid-way where the remainder of the evening was spent in enjoying the various concessions. The following committees were responsible for the highly successful event: Place and transportation, Men's Bible class; tables, dinner, Berean class; sports, Crusaders class, and general chairman, Miss Grace Kelly, Sunday school superintendent.

Cats can see better in the dusk than a human being because cats' eyes are sensitive to ultra-violet rays and their pupils are capable of greater expansion, thus letting more light in.

Lattimore Called
To Closed-Door
Senate Probe

WASHINGTON, July 13.—(INS) — The Senate anti-subversives committee today asks Far Eastern Expert Owen Lattimore or other figures associated with the institute was not disclosed.

Chairman McCarran (D) Nev., summoned Lattimore to a closed-door hearing as the State department announced the suspension of two Far Eastern diplomats as security risks.

Rev. Homer Becker, Westfield Presbyterian church pastor, effectively brought the charge to the congregation, giving the duties of the many church members in relation to their pastor. He solicited their support in every way for Dr. Worley in order that the church would be built up in the most holy faith.

investigation. Part of the IPR files were seized by the committee last winter.

Ferguson said the McCarran committee is digging deeper into the institute affairs than did the committee headed by former Sen. Tydings (D) Md., which investigated IPR only as one phase of the McCarthy charges.

Whether the "new information" concerns Lattimore or other figures associated with the institute was not disclosed.

Chairman McCarran (D) Nev., summoned Lattimore to a closed-door hearing as the State department announced the suspension of two Far Eastern diplomats as security risks.

Main Recruiting
Station Will Be
Open July 14, 15

M/Sgt. H. O. Falls of the New Castle U. S. Army and U. S. Air Force recruiting station announced today that the Pittsburgh Main Recruiting Station will be open for processing of enlistments on Saturday and Sunday, July 14 and 15.

This is necessary due to the

fact that July 15 is the last day that men who have had their pre-induction physical examination under selective service may choose an enlistment in either the U. S. Army or U. S. Air Force.

Sgt. Falls urges all men who have had their pre-induction exam to contact him as soon as possible to take advantage of the opportunities available under a voluntary enlistment in either the regular army or United States Air Force. The New Castle Recruiting Station will be open all day Saturday to process enlistments.

Free Methodist
Assembly Here
On Saturday

Free Methodist churches of the New Castle district will have a Bible school convention on the camp ground, Marshall field, New Castle, Saturday, July 14, with sessions at 2 and 7 p.m.

Dr. Byron S. Lamson, Winona Lake, Ind., general missionary secretary of the Free Methodist

church of North America, will be the principal speaker at both meetings, his subjects being "Your Sunday School World" and "Salt of the Earth".

A Scene-O-Felt demonstration and talk on "The Evangelistic Value of Visual Aid in Sunday School" will be given by Mrs. George McKelvey, Brin, in the afternoon. An open forum on "Sunday School Opportunities and Methods" will be conducted in the evening.

BORN FRIDAY, 13TH, 100 TODAY

MRS. IADA ANDERSON is celebrating her one hundredth birthday today (Friday, the 13th) at her home in Nashville, Ill. She was born Friday, July 13, 1851. The mother of four living children, Mrs. Anderson remembers seeing Lincoln and Grant, and remembers the former's assassination. How does it feel to be 100? "No different than when I was 70," she smiles. (International)

Truman Requests Legislation To Halt Illegal Entries

WASHINGTON, July 13.—(INS)—President Truman asked Congress today to enact legislation tightening immigration laws to prevent illegal movement of Mexican farm workers into the United States.

Mr. Truman's message to Congress followed his signing Thursday of a bill empowering the secretary of labor to recruit Mexican workers and to assign them to employment where other workers are unavailable.

In his message today, the president said he would not have signed the bill had he not been promised by congressional leaders that they would enact supplementary legislation to cope with the problem of illegal border-crossings by so-called "wetbacks."

Recommendations

The chief executive recommended that congress:

1. Make it a crime to harbor or conceal aliens who have entered the United States illegally.

2. Give the immigration and naturalization service the right to inspect places of employment without a warrant when it believes that illegal immigrants are working or living there.

3. Give a supplemental appropriation to the immigration and naturalization service to expand its personnel in the southwest.

4. Increase appropriations for the farm placement service of the Labor Department.

The president told Congress that illegal Mexican immigrants are entering the United States in "phenomenal numbers" and at an increasing rate.

He said that 500,000 of them were apprehended and returned to Mexico in 1950 as compared to less than 300,000 returned in 1949.

Fire-Fighters Get Phone Calls

PITTSBURGH.—(INS)—A new telephone system built right into a fireman's smoke mask and linking him with equipment outside the building has been devised by Mine Safety Appliances Company of Pittsburgh.

Called the "Maskphone," the new two-way communication system has been approved by the U.S. Bureau of Mines for most masks used by fire departments in industry.

The equipment is already being tested by the Pittsburgh fire department and all battalion chiefs' automobiles carry the equipment as standard.

The phone system proved its worth to the Pittsburgh fire department last fall in the fire on the 21st floor of the Bell Telephone building in the steel city.

Fire chief William Davis, leading his men in fighting the blaze in the smoke-filled penthouse of the building, was able to tell his aides on the street below what type of equipment to send to the top of the building.

The chief said the phone system is also a psychological aid to rookie firemen. He explained that assurance given over the phone's head set helps keep the rookie cool when he finds himself in a tight spot.

Wordsworth and Edgar Allan Poe occasionally wrote the last stanzas of poems first. Two examples are We Are Seven and The Raven.

British Death Toll

In Korea Is 260

LONDON, July 13.—Defense Minister Emanuel Shinwell told the House of Commons tonight that total British casualties in Korea up to midnight July 7 were 260 killed or died of wounds, 819 wounded and 1,101 missing.

BUTLER, July 13.—The tricky, swerving detour between Butler and the New Stanton super-highway interchange will no longer plague district motorists.

A new four-lane highway linking Greensburg and New Stanton has recently been opened to traffic. The road does away with the detour, which has been in existence for the past two years, and

is expected to save motorists time and money.

Mr. and Mrs. William Brown and daughter, of Fort Eustis, Va., spent the past week visiting with relatives in this vicinity. Mrs. Brown is remaining for the summer.

Mrs. Olive Spier and son, Billy, of Dravosburg, spent a few days with her sister and family, Mr. and

Mrs. Ida Korpi, Wilbur Summers, and Sherman Quar, were admitted to the Jameson Memorial hospital and submitted to treatment.

Gerald Scott and David Donaldson are acting as "Handy Men" at the Girl Scout's Camp, at Gaston Park.

Mr. and Mrs. Albert Ramsey and children, of New Castle, spent Saturday evening with Mrs. Beatrice O'Neil and Lois D. O'Neil, of Stewart avenue.

Children's Home Receipts Large

On Visiting Day

ZELENOPOLE.—The receipts for the day at the Children's Home and Farm school have been given by the superintendent, Rev. P. W. Seiberling, and they are gratifying. The annual Visiting Day at the home was June 26, and on this day more than 3,500 people visited the home.

There were many former members of the home from all over western Pennsylvania and eastern Ohio, as well as many from a distance present. The offering and receipts from the stands and booths amounted to more than \$9,000 for the day, slightly better than other years, and money is still being received from the visitors.

New York Stocks

Market Trading Active Today

NEW YORK, July 13.—(INS)—The stock market scored further improvement today in slightly more active trading. Although gains were generally held to fractions, Wall Street appeared less perturbed over the unsettled state of affairs pertaining to a Korean cease-fire.

Selected chemical stocks attracted buying. Pfizer rose $\frac{3}{4}$ to 40 $\frac{1}{2}$. Allied Chemical was up $\frac{5}{8}$ to 70 $\frac{1}{2}$ and Mathieson gained $\frac{1}{2}$ to 41 $\frac{1}{2}$.

Elsewhere in the industries, Firestone Rubber advanced $\frac{3}{4}$ to 100. Bethlehem Steel was up $\frac{1}{2}$ to 51 $\frac{1}{2}$, and Chrysler was up $\frac{1}{2}$ to 69 $\frac{1}{2}$.

Radio Corporation was actively bought, edging up $\frac{1}{2}$ to a new high at 21 $\frac{1}{2}$. Columbia Gas & Electric chalked up a gain of $\frac{1}{2}$ to a new high at 14 in the utilities.

Rails were fractionally improved. Atlantic Coast Line was up $\frac{1}{2}$ at 64 $\frac{1}{2}$. Chesapeake & Ohio up $\frac{1}{2}$ at 29 $\frac{1}{2}$ and Pennsylvania up $\frac{1}{2}$ at 17 $\frac{1}{2}$.

At 11 a. m. the Dow-Jones industrial averages were up \$1.05 a share, the rails were up 26 cents and the utilities were 21 cents higher.

Volume for the first hour totaled 260,000 shares as against 210,000 yesterday.

Curb stocks were steady. Electric Bond & Share and Kaiser Frazer were unchanged and Dumont Laboratories was up $\frac{1}{2}$.

The bond market was mixed with Japanese issues lower on profit-taking.

Commodities were lower. Wheat was off $\frac{1}{2}$ ¢, corn down $\frac{1}{2}$ ¢ and cotton off 75 cents a bale.

Sale of Bonds

Notice is hereby given that the City of New Castle, Lawrence County, Pennsylvania, will receive sealed bids for the purchase of Two Hundred and Fifty Thousand (\$250,000.00) Dollars General Improvement. Coupon Serial Bonds of the denomination of One Thousand (\$1,000.00) Dollars each, aggregating \$250,000.00 Dollars.

The said Bonds shall bear interest at a rate to be named by the bidder or bidders in multiples of one-eighth or one-tenth of one (1%) per centum, but not in excess of three (3%) per centum per annum, payable semi-annually on March 1st and September 1st. Bids will be received for the entire issue at any one rate of interest not in excess of three (3%) per centum per annum, but no bid combining two different rates of interest will be accepted. Said bonds and the interest thereon will be payable without deduction for any tax or taxes except succession or inheritance taxes, now or hereafter levied or assessed thereon under any present or future law of the Commonwealth of Pennsylvania, all of which taxes the City of New Castle, Pennsylvania, assumes and agrees to pay. The Bonds will be sold to the highest responsible bidder, provided such bid is not less than par and accrued interest.

The highest responsible bidder shall be the one who, having complied with the terms of sale, offers to take the whole amount of the Bonds at the lowest interest cost to the municipality, which shall be determined by deducting from the total amount of interest to be paid on account of such Bonds during the life thereof, the amount of premium offered, if any, over and above the face amount of the issue.

The bonds will be dated September 1, 1951, may be registered as principal only, and will mature as follows: Ten bonds, \$10,000.00, on September 1st of each of the years 1952 to 1976 inclusive.

Every bid should be addressed to Albert A. Hoyland, Director of the Department of Accounts and Finance, City Building, New Castle, Pennsylvania, and shall be placed in a sealed envelope, addressed to the Secretary, indicating that it is a bid for the Bonds of this issue, before being delivered to the aforesaid Director of the Department of Accounts and Finance. Bids will be received until 9:00 o'clock A. M. F. S. T., on the 23rd day of July, 1951, at which time they will be publicly opened at a meeting of the Council of the City of New Castle in its City Building by the Director of the Department of Accounts and Finance.

Bids must be accompanied by a certified check, cashier's check or treasurer's check drawn to the order of the Treasurer of the City of New Castle, or a sum of money, equal to two (2%) per centum of the face amount of the Bonds, as security against any loss resulting from the failure of the bidder to comply with the terms of the bid. The deposit of each unsuccessful bidder will be returned immediately upon the award of the Bonds or the cancellation of the bids. In the case of the successful bidder, the deposit will be held by the Treasurer and will be applied on the purchase price when the Bonds are actually delivered and paid for.

Interest obligations will be payable from and until taxes levied on all taxable real property within the City of New Castle without limitation of rate or amount.

The enactment, at any time, prior to the delivery of the Bonds, of legislation which in terms, by the repeal or omission of, excepting or otherwise, subjects to a Federal Income Tax the interest on Bonds of a class or character which includes these Bonds, will, at the election of the purchaser, relieve the purchaser from his obligations under the terms of the contract of sale and entitle the purchaser to the return of the amount deposited with the bid.

These Bonds are issued under the direction and advice of Burgwin, Churchill, Coffield and Hadley, Attorneys at Law, of Pittsburgh, Pennsylvania, which attorneys will furnish an opinion as to the legality of the said bonds; and the bonds will be delivered to the purchaser only if the issuance thereof have been approved by the Department of Internal Affairs of the Commonwealth of Pennsylvania.

The right is reserved to reject any or all bids.

For other information apply to the undersigned.

By order of the City of New Castle, Pennsylvania.

JOHN F. HAVEN, Mayor

JACK FRITZ, City Clerk

Bids for Transportation

Sealed bids will be received by the Mahoning Township School District, Lodiville, Pennsylvania, until 12 noon, Friday, August 6, 1951, for transportation of public school pupils for the next three school terms, 1951-52 to 1953-54 inclusive.

Description of the route and number of pupils to be transported may be obtained from the office of the secretary. Each bid must be enclosed in a sealed envelope marked "Bid for Transportation" and must be accompanied by a certified check in the amount of 5% of bid submitted on a one year basis payable to the Mahoning Township School District.

The Board reserves the right to reject any or all bids.

Israel Charges Ships Are Barred In Suez Canal

FLUSHING MEADOW, N. Y., July 13.—(INS)—Israel demanded urgent U. N. security council action on Egypt's refusal to allow Israeli ships through the Suez canal.

Accusing the Egyptian government of an aggressive blockade against Israel, chief Israeli delegate Abba E. Eban called on Sir Gladwyn Jebb, current chairman of the 11-nation council, for an immediate hearing on the charges.

Eban said he expects the council to meet sometime next week.

The Tel Aviv spokesman charged that Egypt is refusing passage to Israeli or Israeli-bound ships through the Suez canal and that it is interfering with Israeli-bound commerce. He termed these "illicit and aggressive" acts and "piracy."

He said three vital factors are involved in the Egyptian action:

1. Peace in the near east.

2. Freedom of the seas.

3. Violation of the Egyptian-Israeli armistice agreement negotiated by Palestine mediator Dr. Ralph Bunche.

Eban said the entire near east economy is affected by the blockade. He said the Haifa oil refineries, the second largest in the near east, are working only at 25 per cent capacity, thus cutting off oil to western Europe.

He said:

"I hope the security council will require the Egyptian government to desist from these hostile practices and that Egypt will comply."

Summertime is the logical time to check furnaces and heating units in all homes and buildings.

Local Korean Veteran Lauds Red Cross Work

Sgt. Joseph W. Christie of 430 Leisure avenue, New Castle, has just returned home on furlough from Korea. He was attached to a medical company in the 24th Division, and was five months in combat and wounded in action.

In speaking to a Red Cross representative today he mentioned the miserable conditions in Korea, which the servicemen find to be as much an enemy as are the Chinese—namely the weather and the terrain.

He also spoke of the great need for the Red Cross to expand and emphasize their blood program. Blood is in constant demand, he said, and being in the medical company he stated that he had seen whole blood, administered right on the lines saving lives every day. He mentioned the special pontoon-like constructions put on the helicopters for the purpose of carrying the blood, and how many times he had seen the helicopters fly the blood in and then wait until it has been administered to a wounded soldier before he could be moved. They used it on the lines, he stated, to combat shock.

Cities Case

Christie mentioned an instance when he had been wounded and was at a Mobile Surgical hospital about 30 miles behind the front lines in Korea. A serviceman from New Orleans was brought in terribly wounded and was given blood and oxygen all through the night, and had it not been for that, and the wonderful care given him by an army nurse, the man surely would have died. He said that the nurse talked to the injured man all night to try to keep him from lapsing into complete unconsciousness. She called two corpsmen to come and hold the injured man's hands as he kept trying to push the tubes from his nose and mouth. The corpsmen complained—saying that there were 1500 wounded prisoners in the yard that they were supposed to be looking after, and why didn't she tie his hands. The nurse replied that she was not tying this man's hands, and the 1500 would just have to wait, but she was not going to lose this one American. By morning, the man was more lucid, and was conscious enough to want to know what was wrong with him. Sgt. Christie stated that he had lived.

At the same time Sgt. Christie stated there were two other wounded Americans and two badly wounded prisoners also receiving blood transfusions.

Praises Work

At the Swedish Red Cross hospital in Pusan, the sergeant spoke very highly of the services rendered and said that the Red Cross is doing a wonderful work. He said a Red Cross girl came around every morning with cigarettes and comfort articles, and every afternoon with orange juice and other desirable items. Then again at the hospital in Kobi, he said the Red Cross there was magnificent in their service to the men.

Sgt. Christie, who spent more than four years in the army during World War II, was returned home due to a serious illness in his family and the leave request had been handled through the local Red Cross. He said that they had stayed with the request all the way through and that the service had been fine.

Man Is Arrested For Annoying Girls

Mack Lee McCullough, who told police his home is in Brazil, Ind., was arrested by officers Price and Richards Thursday evening, on a charge of following two young girls, aged 12 and 13 years, on South Jefferson street, Thursday evening.

The man cruised around the street south of the Diamond, and finally when the children went to a store, he parked his car and followed them on foot. They went to Central fire station, where they told their father. He had them walk up the street, and the man followed, whereupon he complained to police who arrested the man.

An information is to be made against McCullough before a local alderman. Chief of Police Robert D. Hanna stated.

Woman Injured As Auto Strikes Corner Of House

Losing control of the automobile she was driving at the corner of Moravia and Miller streets brought minor injuries to Miss Rose Zajac of 1609 South Jefferson street at about 11 o'clock this morning.

Her 1951 Chevrolet sedan was not damaged extensively as it crashed into the corner of the home of Charles Locner, 1617 Moravia street. Considerable damage was done to the house as the force of the crash ripped away a portion of the rear wall, tearing out the corner post of a built-in porch.

Miss Zajac reported that she was making a left hand turn into Miller street from Moravia street when her automobile struck the right curb of Miller street causing her to lose control as it rebound from the curb, across the street and into the building. Cruiser Officers Frank Pszenny and Carl Lockard investigating the accident had Miss Zajac removed to the New Castle hospital for a medical examination.

At the same time Sgt. Christie stated there were two other wounded Americans and two badly wounded prisoners also receiving blood transfusions.

The picture was taken by the sergeant while he was stationed in Italy.

Sergeant Kennedy is an instructor in the Department of Staff Training of the Army Finance School here. In this capacity, he instructs both Army and Air Force officers and enlisted men on military pay policies and procedures. He entered service in 1945 and spent three years in the occupation army in Europe. Before his transfer to the Finance School, he was chief of the accounting section of the Frankfurt Military Post Finance Office in Germany.

The prize-winning photographer's wife, Mrs. Hildegard Kennedy, still lives in Frankfurt on the Main in Germany where they met during his tour of duty in Germany.

Sergeant Kennedy was employed as a production expeditor in the Johnson Bronze company in New Castle before entering service. He holds the Good Conduct medal, World War II Victory medal and the European Occupation medal with Berlin Airlift Device.

CLAIMS FILED, INCREASE

HARRISBURG, July 13.—(INS)—Claims for unemployment benefits were filed by 31,200 persons in Pennsylvania during the week ended July 6.

The State Unemployment Compensation bureau said the total was five per cent higher than the previous week's. Approximately 69,300 claims were carried forward, a drop of seven per cent.

The bureau said the increase reflected new unemployment in textile and apparel, glass, radio, television, tobacco, food-processing, fabricated metal and electrical products industries.

Mrs. Julia Johns Quartet Soloist At Los Angeles

Miss Julia Johns, well-known New Castle mezzo-soprano, was recently auditioned as a quartet soloist in the Emmanuel Presbyterian church, Los Angeles, Calif. Miss Johns was chosen from several who auditioned and will begin immediately. The church in which she will sing is one of the largest and most beautiful churches in that vicinity. It has a seating capacity of over 2,000.

Her many friends in New Castle will be glad to hear that she is doing so well on the west coast. Miss Johns is the daughter of Mr. and Mrs. Phillip Johns, 370 East Washington street, New Castle.

Mayor Is Fined On Charge Of Striking Chief Of Police

HAVERHILL, Mass., July 13.—(INS)—The mayor of Haverhill was found guilty today of assaulting his police chief in a disagreement over the transfer of police men.

Mayor Joseph L. Willett, 45, was fined \$25 in district court on the complaint of Chief William J. Colclines, 58.

A witness, Francis J. Trainor, public safety commissioner, testified Willett, an ex-marine, "became a wild man" during the fight in the mayor's chambers last week. The chief said he arrested the mayor "to uphold the dignity" of his office.

Business Activity Levels Off In State

PHILADELPHIA—The Federal Reserve Bank of Philadelphia said today that summary figures indicate the upward trend of business activity in Pennsylvania was halted in May, though perhaps only temporarily.

Production in the state's factories declined during the month after rising almost continuously for more than a year, apparently because defense orders had not filled the gap in non-durable plants which were cutting down on civilian production.

The drop in production was accompanied by decreases in the size of work forces and payrolls, the bank said. It added that, despite the monthly decline, industrial activity showed considerable improvement over last year.

Boy Is Seriously Hurt In Farm Mishap

GROVE CITY, July 13.—A two-year-old Jackson Center district boy was near death in a Grove City hospital after running into the rear wheels of a truck on his father's farm.

Osteopathic hospital sources reported Robert Kellogg, son of Mr. and Mrs. William Kellogg, suffered a fractured skull and a possible broken neck in the tragedy. His condition was reported as critical.

The accident happened on the Kellogg's R. D. 1, Jackson Center, farm last night as a tractor was being loaded on a truck owned and operated by Kellogg's brother, David, 27, of R. D. 4, Slippery Rock. The baby reportedly ran from around a barn and into the rear dual wheels as the truck was being backed into position for the loading.

Robert had been in a coma since his admission to the hospital last night. State police from Mercer investigated the accident.

BUSINESS CLINIC

PITTSBURGH, July 13.—(INS)—The armed forces regional council today reported it will sponsor a small business clinic next month in Pittsburgh to show smaller business and industrial organizations where they can get government defense business.

Navy Capt. Henry A. Ingram, chairman of the regional council, said the council will also show the small outfit how to get about getting government orders.

The clinic, August 15-16-17, will be sponsored by the Navy, Army and Air Force and the Pittsburgh Chamber of Commerce. Possibly 4,000 sub-contractor prospects are expected to attend from the tri-state area.

CUBAN CANDIDATE FACES BIRDIE

IN A SETTING much like that of a United States police department's criminal identification bureau, Col. Fulgencio Batista goes through one of the necessary formalities for entry into the Cuban presidential race in Havana. Batista is having his official identification photograph taken before entering contest for office he once held. (International)

Polio Cases In U. S. Showing Increase

WASHINGTON, July 13.—A 19 per cent increase in the number of polio cases last week was reported today by the Public Health Service.

New cases totaled 407 compared with 341 for the preceding week. For the corresponding week a year ago, 478 cases were reported.

The cumulative total since the seasonal low week this year is 2,026 compared with 2,525 for the corresponding period last year.

G.N.C.A. Directors Name Lomoree To Place On Board

Directors of the Greater New Castle Association passed a resolution of regret in the death of the late John R. Preston on Thursday night.

Mr. Preston was the president of the Citizens National Bank and a director of the GNCA. He was the representative of the financial division, No. 14. In his place the directors named Thomas Lomoree.

President James A. Rugh announced the appointment of David Long as the chairman of the Air Purification and Smoke Control committee. George F. Winter Jr. was named chairman of the Downtown Parking committee and Ross D. Rosenberger chairman of the City Beautification committee.

Back Ball Games

The directors also voted to back the baseball series between New Castle and Erie in the Mid-Atlantic league on Friday, Saturday and Sunday.

Friday night will be GNCA night at the game on Flaherty Field. Members will be urged to buy a set of series tickets and boost attendance at the ball games.

Indians Will Play Indianapolis Clowns Here Tonight

Green And Butler Smack Homers As Tribe Defeats Butler 12-10

Flaherty Field will be a mecca tonight for countless hundreds of baseball fans bent on seeing and enjoying the antics of the famous Indianapolis Clowns as they play the New Castle Indians, an exhibition game.

The activity starts at 6 o'clock as the Little Big League First and Second Ward teams play a preliminary round game. The main attraction is due to get under way at 8 o'clock.

The Clowns have been in the habit of making an annual appearance here and have always provided a top-notch show. King Tut and Specs Behop provide the laughs, along with Struttin' Sammy Sneed. It will be a show well worth seeing for laughs galore, and good baseball.

Indians Creep Nearer Top

The Indians crept closer to the league leading Erie Sailors last night, downing the Butler Pirates 12-10 in a ding-dong dallybrook as Lockport edged Erie 5-4 at Erie.

Paul Klafter won his eighth game of the year last night against three defeats as he went to the rescue of starter Herb Churchill in the seventh, and snuffed out a Butler rally, hurling two scoreless innings, and giving up three hits. Butler used an assortment of hurlers starting with Rogalsky and ending with Eddie Malack, the loser.

Rossman's Hit Wins Game

Bill Green, the star second sacker hit his 5th homer of the year in the first inning, and Chet Butler hit his 8th homer in the second inning, helping to put the Indians out in front. A single by Ben Rossman subbing in right field for Manager Al Milnar in the seventh inning gave New Castle the victory, two mates riding home. Walt Kowalski had a perfect night at the plate getting four for four, while Bill Horne had three for four.

New Castle hits the road the next six days, playing three at Erie and three at Niagara Falls, before returning home to meet the Erie Sailors here Friday July 20th.

Direct From Washington

The Clowns are coming to New Castle direct from Griffith Stadium in Washington D. C., where last night they stacked up against the Indians, who are still in the race. The Indians are the new Capitol Fliers, in a league game. In all probability the Clowns will use Jim Cohen, a former New Castle boy on the mound. Cohen is one of the leading hurlers in the Negro American League. He is known as "Fireball." Other Clown stars well known here are—Drake, Brewer, Neil, Lott, Merchant, "Preacher" Williams, and Pigg. Buster Haywood is the manager. The Clowns are the first-half winners in the Negro League, and the 1950 league Eastern Division champions. The fans will be amazed.

ed at the speed and ability of the Clowns, who are anything but Clowns on a baseball field.

Outstanding Attraction

This will be the only appearance of the Clowns here this year.

In the event of good weather here tonight one of the largest crowds of the year will no doubt pay a visit to Flaherty Field. Admission prices are \$1.25 for box seats, \$1.00 general admission and 25 cents for children under 16.

The New Castle baseball club was very fortunate in securing this high-class attraction for the local ball park. The Clowns have drawn tremendous crowds everywhere they have shown.

Reynolds Hurls No-Hitter, Boston Red Sox Take AL Lead

Indians Hitless
Against Ex-Mate,
Red Sox Win Two

Dodgers Pad Lead
In National Loop

NEW YORK, July 13.—If the American League appeared a trifle preoccupied in the recent All-Star game, it is only because junior circuit clubs are playing for keeps in the pennant race.

Proof of that was:

(1) The Boston Red Sox' double victory over Chicago—the second game in 17 innings, 5 to 4—which gave the Beantowners a one-game lead.

(2) A no-hitter pitching effort by the New York Yankees' Allie Reynolds—third in the majors this year—which defeated Cleveland, 1 to 0, and thwarted the Indians' bid to replace the Yanks in third place.

The Red Sox, who weren't supposed to be able to win on the road, confounded the dopesters by winning the twilight half of a doubleheader, 3 to 2, when Lou Boudreau doubled home Johnny Pesky, who had walked, in the eighth inning.

Third For Reynolds

Reynolds, in achieving his tenth win of the year, allowed four men to reach base—three on walks and one on an error. Only one advanced past first. The 33-year-old former Tribe-man finished in a blaze of glory, fanning Bob Avila, who had spoiled a no-hitter for Joe Dobson of Chicago earlier this season.

Feller—who sought his 13th success but wound up with his third loss instead—granted only four hits. The only run of the game was a seventh-inning homer by Gene Woodling.

In other American League games, Detroit nosed out Washington, 5 to 4, while Philadelphia took a doubleheader from St. Louis, 9 to 7 and 13 to 10. Bobby Shantz hurled the second-game shutout. Elmo Valo.

The all-but-forgotten National League chase saw the Brooklyn Dodgers stretch their lead to 9½ games when they walloped Chicago, 9 to 3.

The St. Louis Cardinals took over second place by one percentage point when they licked the New York Giants, 2 to 0.

The Philadelphia Phils crushed Pittsburgh, 11 to 6. Cincinnati and Boston were rained out.

WAMPUM EASY WINNER

Wampum scored ten runs in the first two innings to ride home over Hillside in an easy 16-4 winner in a game at Wampum that was called at the end of the sixth because of darkness, Thursday night.

Vance and Badger blasted triples and Badger also a double for the winners. Pezzulo laced a triple and A. Micco three hits for Hillside.

Leopardo was the winning pitcher, and F. Penwell the loser.

Marciano Lands KO Blow In 6th On Rex Layne

Marciano Wants Crack At Title

By CHARLES EINSTEIN
(L.N.S. Sports Writer)
NEW YORK, July 13.—Rocky Marciano and rocker Rex Layne went their respective ways today—Marciano to try to line up a heavyweight title shot and Layne, still addled by Rocky's knockout right, to take a long rest.

The undefeated Marciano, a 2 to 1 underdog, made every round a winning one in his scheduled tenrounder against the Lewiston, Utah, favorite at Madison Square Garden last night. The end came in 39 seconds of the sixth on one of the most stunning righthand swats the Garden crowd of 12,565 ever saw.

Wants Crack At Title

Marciano, a bullish, rippling-muscled New Englander from Brockton, Mass., swung the right from way back here. It caught Layne full on the temple and the crowd went "oooh!"

But Layne didn't do anything. He just stood there.

And then, very slowly, he began to fall on his face. He toppled in slow motion, first to his knees, then to his shoulders, then to the canvas. And there he lay.

"I want that title!" the 26-year-old Marciano declared in his dressing room.

"I want a rest," Layne said. He can use one. His face was a mass of welts and the blood sat stickily above his left eye, where Marciano had opened a cut in the second round.

Louis Will Attend Charles-Walcott Battle Next Week

PITTSBURGH, July 13.—(INS)—Interest in the July 18 title fight between Ezzard Charles and Joe Walcott in Pittsburgh is growing today.

Former heavyweight champion Joe Louis, who will meet the winner in a September fight, plans to be at ringside when Ezzard and Jersey Joe go at it next Wednesday.

Charles passed the state boxing commission physical yesterday at his Ligonier, Pa., training camp. Walcott will undergo the examination today at his nearby McKeesport camp.

Michigan State will field a jayvee football team this fall after a year's lapse.

Super Carrier Contract Let

Navy Awards 218
Million Dollar Contract

WASHINGTON, July 13.—(INS)—The Navy awarded a \$218 million dollar contract to the Newport News (Va.) Shipbuilding and Drydock Company for construction of a 59,500-ton "flush deck" super carrier to be completed in three years.

Terms of the contract revealed that the big carrier will displace nearly 3,000 tons more than was planned when its construction was authorized by Congress, and that the giant flat top will have a "retractable bridge."

The "retractable bridge" will protrude above the flight deck when the carrier is cruising, but at the press of a button it will be lowered down into the hold of the ship so that the entire craft will offer a completely flat surface for the landing of planes. This will fulfill a dream of many years for a completely "flush deck" carrier.

The navy announced that the overall length of the ship will be 1,040 feet, with a maximum width of 252 feet. The announcement added:

"Larger, heavier carrier-based naval aircraft of the newest design will be able to operate from her deck. The carrier is expected to be completed 36 months after construction begins."

The original plans in Congress were for a 57,000-ton super carrier, to cost \$228 million dollars.

Will Attempt To Swim River Under Huge Handicaps

EAST ST. LOUIS, July 13.—(INS)—George Hopper will make his annual swim across the Mississippi river at St. Louis July 19 with his arms handcuffed behind his back while towing a boat load of six soldiers and six barrels.

The East St. Louis packing house worker has attempted similar feats every year for the past 14 years and fell short only twice. In previous years he started out from East St. Louis toward the St. Louis side. This year he plans to reverse the trip.

Hopper, 49, will pull 500-pounds of barrels plastered with posters advertising U. S. defense bonds. The Treasury Department wrote Hopper this is "the most unique defense bond advertising stunt" it has ever heard of.

The self-styled swimmer will be escorted across the river by Coast Guardsmen.

Goes From Frying Pan into Fire

READING, Pa., July 13.—(INS)—Thomas Graber, 20, went from the frying pan into the fire today. Arrested for breaking into a West Reading gasoline station and stealing \$125, he was quoted by police as saying he needed the money to pay a \$28.50 fine forreckless driving.

Al. Borio, Clothing Stylist, Says:

When a man looks good, he feels good. So why not look and feel your best at all times.
